

Agenda for tonight's meeting:

- Approval of minutes for November (2 mins)
- Treasurer's report (3 mins)
- Vote on Quieter Skies taskforce as a subcommittee of the NBHC (this was never recorded in the minutes in 2012 when it was apparently voted on - I would like this to be clarified by holding another vote). (5 mins)
- Review/refinement of NBHC goals (10 mins)
- Development of vision/mission statement (15 mins)
- January meeting agenda - transportation focus? (15 mins)
- Communications software options (Stephen to present some alternatives) (15 mins)
- NBHC shared calendar (Mira) (10 mins)
