Puget Sound Clean Air Agency

Craig Kenworthy, Executive Director of Puget Sound Clean Air Agency spoke of the process of enforcing air quality requirements. There are three ways to make a complaint:

- 1) Go to the www.pscleanair.org website and complete the online complaint form.
- 2) Call the Air quality Complaint line at (800) 552-3566 ext 6. The office hours are Monday-Friday, 8:00 a.m. to 4:30 p.m. After hours, our answering service will assist you.
- 3) Mail your complaint details to Puget Sound Clean Air Agency, Inspection Department, 1904 Third Avenue, Suite 105, Seattle, WA 98101.

While making a complaint, please describe the odor and the time of the smell. When complaints are logged, inspectors come out to figure out the source and smell the area. The smell has to be detectable and able to pass the smell test. The more people report the complaints; an inspector can pinpoint the problem. If an inspector can find the source, the inspector can enforce penalties for odor violation.
